

# Muhammad Saad

Software Developer

📍 Peshawar, Pakistan 📞 +92 3349591700 @ saadkhan.developer12@gmail.com

## Summary

I am Muhammad Saad. A passionate software developer whose interests are in developing efficient, innovative, and compelling digital solutions. My fields of interest are web development and mobile app development under the influence of tools and frameworks like React, Angular, or Firebase.

## Experience

### SMSAMI

Jun 2024-August 2024

FrontEnd Web Dev Intern

Peshawar, Pakistan

🔗 <https://smsami.com/>

I gained valuable hands-on experience with JavaScript, Angular, version control systems like Git, and working with APIs. This practical exposure significantly enhanced my development skills and understanding of modern web technologies
